

Poly-Classic Limited Lifetime Warranty

TURNCRAFT warrants that POLY-CLASSIC® COLUMNS will be free of manufacturing defects in material and workmanship for as long as the original purchaser owns the structure to which they were initially installed according to TURNCRAFT installation guidelines.* Should replacement be necessary under this limited warranty, the sole remedy shall be limited to the furnishing of new shafts, caps and/or bases to replace the defective part(s). Field-assembled joints are not warranted. Seller does not include and will not pay for, installation and painting as part of this limited warranty, nor shall Seller be liable for compensatory, consequential, or incidental damages under this limited warranty. There are no other express warranties contained herein, and all representations or affirmations made, and all samples and models shown are for illustrative purposes only.

**See reverse for a summary of trimming, assembly, and installation instructions.*
